

Supply Chain & Logistics Professionals

Networking Mixers Speaker Luncheons

Are you working in supply chain, procurement, logistics, freight forwarding, shipping, distribution, transportation, air cargo, ocean freight or related maritime services?

You're welcome to join our network of Supply Chain & Logistics Professionals

- visit www.SCLP.asia

- or contact SCLP@MarkMillar.com

Our SCLP program includes regular Networking Mixers and Speaker Luncheons – plus occasional Site Visits – providing outstanding opportunities for learning, sharing and networking.

Over 1,000 industry practitioners have attended SCLP functions for Supply Chain & Logistics Professionals, brought to you by Mark Millar – gateway to the knowledge, networks and events that inform, connect and empower You and your supply chain ecosystems.

SCLP Networking Functions for Supply Chain & Logistics Professionals

Event Sponsor Testimonials

"It was **Hactl's** pleasure to sponsor the SCLP Networking Mixer and I congratulate Mark Millar for leading this initiative; a positive experience and one I look forward to repeating at future events; a fun night with good fellowship"

"Thank you for inviting **Indigo Software** to sponsor your SCLP Networking Mixer – the evening far exceeded my expectations. We will certainly attend more SCLP functions and will have no hesitation in sponsoring again in the future."

"**Damco** were delighted to sponsor the SCLP Networking Mixer event on 22nd November, following day one of the ALMC conference. There was a good group of attendees from across the industry."

"We were honoured to sponsor Mark Millar's SCLP event at **Goodman Interlink** which brought together an experienced group of industry experts; an excellent opportunity for industry colleagues to meet and establish new connections."

"As a regular sponsor of the SCLP networking events, **Logistics Executive** continue to be impressed by the breadth of attendees from across the Supply Chain Industry and the new faces that we are able to engage with on each occasion."

"**Insync** is again thrilled to have sponsored the SCLP networking evening. We are always delighted at the quality and quantity of attendees. These are one of the 'must-do' events for any supply chain and logistics professional in Hong Kong."

"**Kerry Logistics** are proud to support this power-house gathering of industry practitioners."

"**Cohesion Freight Worldwide** and our European partners **Claridon Group Ltd** are privileged to partner with SCLP in the professional and respected platform it provides to engage with fellow logisticians in the Supply Chain & Logistics sector."

"**Thrift Logistics** are pleased to sponsor this event and support Mark's SCLP initiative."

"**Havi Freight Management** appreciates the opportunity to increase our profile; we are pleased to sponsor this industry event where supply chain and logistics professionals gather for networking and socialising."

"**ECU Line** and **Allcargo Logistics** are very pleased to sponsor this event, which provides an excellent platform for us to increase our profile in the industry and amongst supply chain professionals."

"**DHL** were extremely pleased to participate as a key sponsor in the recent SCLP event which was a great opportunity to network with leading names in the logistics industry."

"**Crown Logistics** are pleased to sponsor this event and support Mark's SCLP initiative to provide a regular platform for supply chain and logistics professionals to gather for industry networking."

"Thank you Mark for your leadership in creating and developing this great networking forum."

*Over 1,000 industry practitioners have attended SCLP functions for Supply Chain & Logistics Professionals, brought to you by **Mark Millar** – gateway to the knowledge, networks and events that inform, connect and empower You and your supply chain ecosystems. May we invite your support of our industry networking activities for Supply Chain & Logistics Professionals, which provide an excellent promotional platform for our Sponsors to **enhance your brand, expand your profile and increase market awareness** – not just at the functions themselves, but also through the regular e-marketing to our ever-expanding SCLP mailing list of almost 2,000 industry practitioners in Hong Kong and South China.

The Networking Mixer Sponsor package includes all the following benefits, for a per-function investment of just HKD 9,888

- ✓ **Branding in pre-Event Marketing** - your Logo featured in e-marketing communications
- ✓ **Branding at Event** - your Logo on prominent scrolling digital display
- ✓ **Signage at Event** – one company pull-up display banner (*as supplied by you*)
- ✓ **Collateral at Event** – one piece company promotional material (*as supplied by you*)
- ✓ **Company Acknowledgement** – your support acknowledged during MC announcements
- ✓ **Company Introduction** – three minute speech or video presented by your representative
- ✓ **Professional Photos** – our professional photographer available during Mixer events
- ✓ **Complimentary Guests** – five reserved places for your guests
- ✓ **Guest Details** - full contact details of all attendees, provided post-event in digital format
- ✓ **Branding in post-Event Marketing** - your Logo featured in e-marketing communications
- ✓ **Photo Gallery** – your signage, speaker and guest photos featured in online photo gallery

Thank You to all our SCLP Event Sponsors:

W: www.sclp.network E: sclp@markmillar.com

Excellent platform to meet new people & learn best industry updates!

An excellent, well organised professional networking event, attended by a good spread of senior and mid management logistics professionals, great to see so many women in attendance

The SCLP event is simply the best platform for quality supply chain industry networking in Hong Kong

Made great contacts; wonderfully organized and executed leadership event

We are proud to support this power-house gathering of industry practitioners. Congratulations Mark on putting together such a well-organised event, with demonstration of fellowship and professionalism
